

School of Electronics & communication Engineering Elcovision

EventID:ECET1602

ABOUT-

only for 1st year and 2nd year students

Totally based on electronics.

ROUND-1:

1] We will present 4 circuits at a time with their proper name written below it for 30 sec{time may exceed to 40 sec}

2] We will give name of components to the participants and ask the circuit in which it was present{they can either write the name or number of the circuit}.

3] We will finalise top 5 participants on the basis of their right answer.

NOTE- A PEN AND A BLANK PAPER WILL BE PROVIDED TO THE PARTICIPANTS FOR DRAWING THE CIRCUIT(IF THEY WANT) WITHIN TIME LIMIT AND ALSO FOR WRITING THE ANSWER.

ROUND-2

1] 5 basic questions will be asked from the selected participants from round 1. Questions will be based on basic electronics.

2] 1st, 2nd, 3rd rankers will be decided on the answers.
